A LITTLE BIT COUNTRY

**Everyone needs a place
That's a little bit country
For long walks
And sending dreams to the sky.
Where the air is clean
And you can watch the seasons ripen.**

**Where the leaves crackling
underfoot
Provide percussion
For a band of birds
Accompanied by the breeze.**

**Everyone needs a place
That's a little bit country
Where the sun
Sinking on the horizon
Provides a fiery backdrop
For a pageant of sight and sound.**

**Wildflowers strewn carelessly
Make a bright paintbox
On the cool ground.**

**Everyone needs a place
That's a little bit country.**

**Not so far removed
From city sidewalks,
Buildings, streets and cars.
Just far enough away,
To nurture dreams in
solitude,
And extend sturdy roots.**

**Far enough away
To make the two parts whole,
Distinct, yet one.**

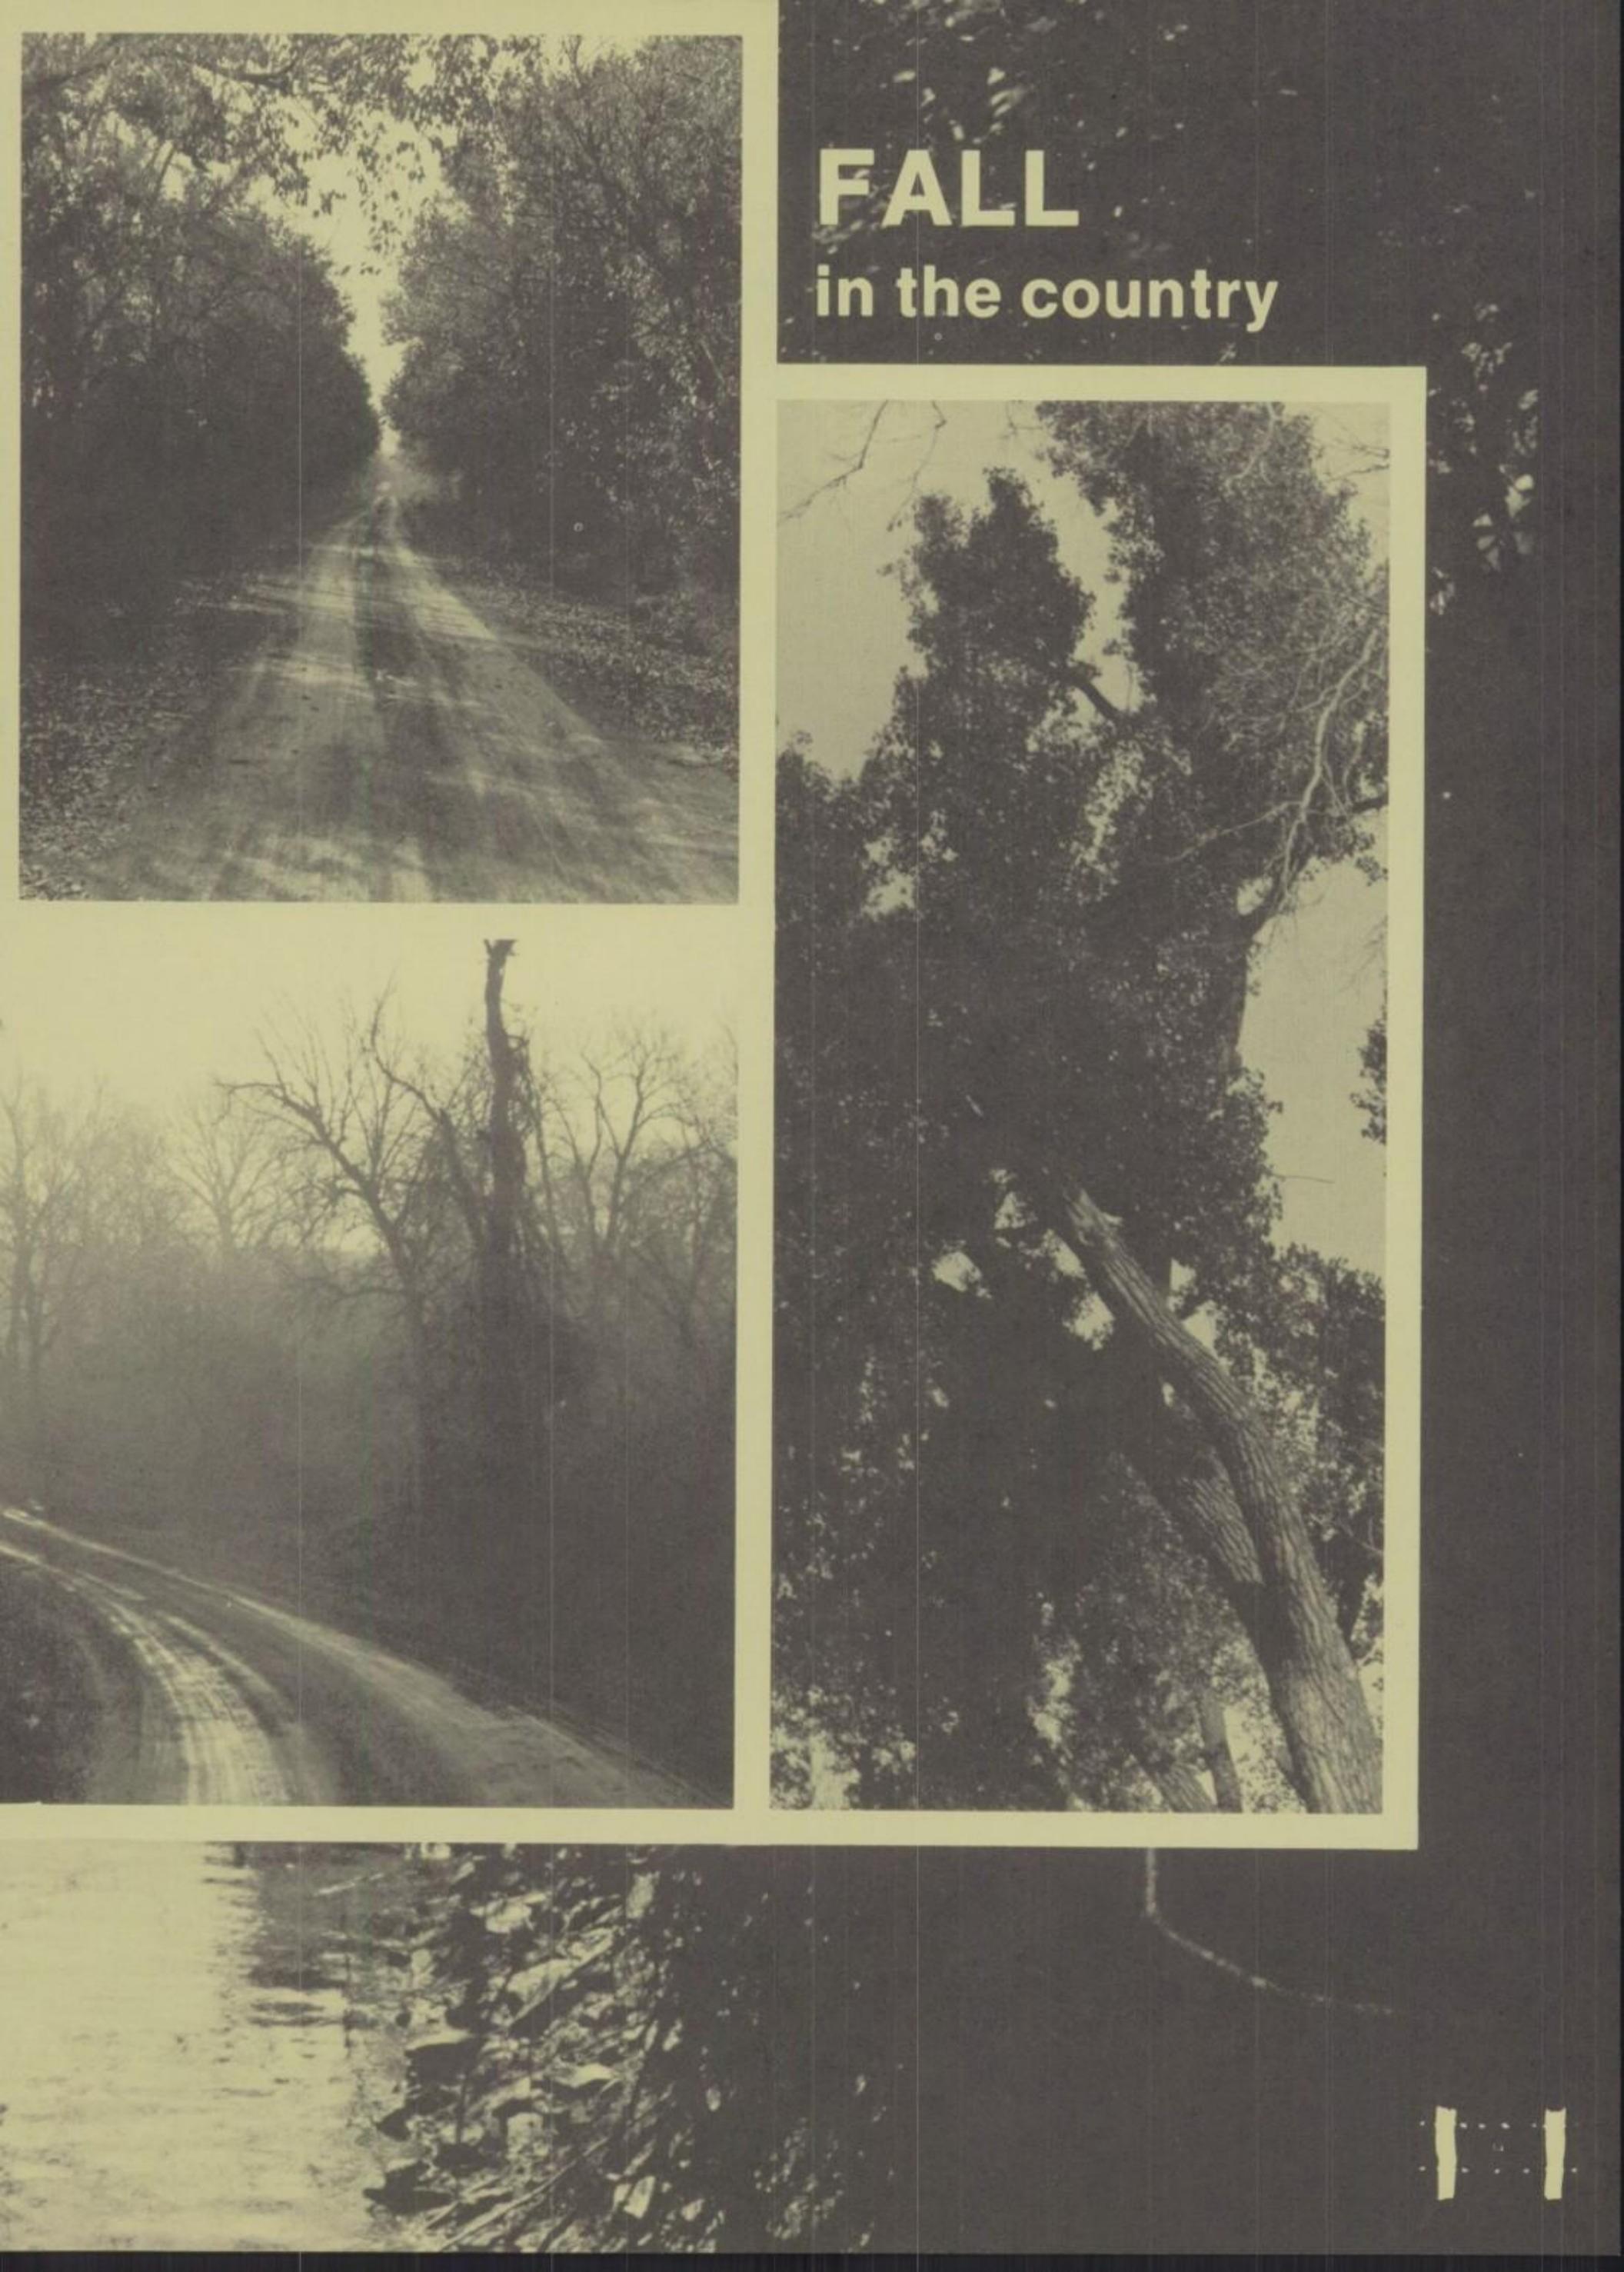

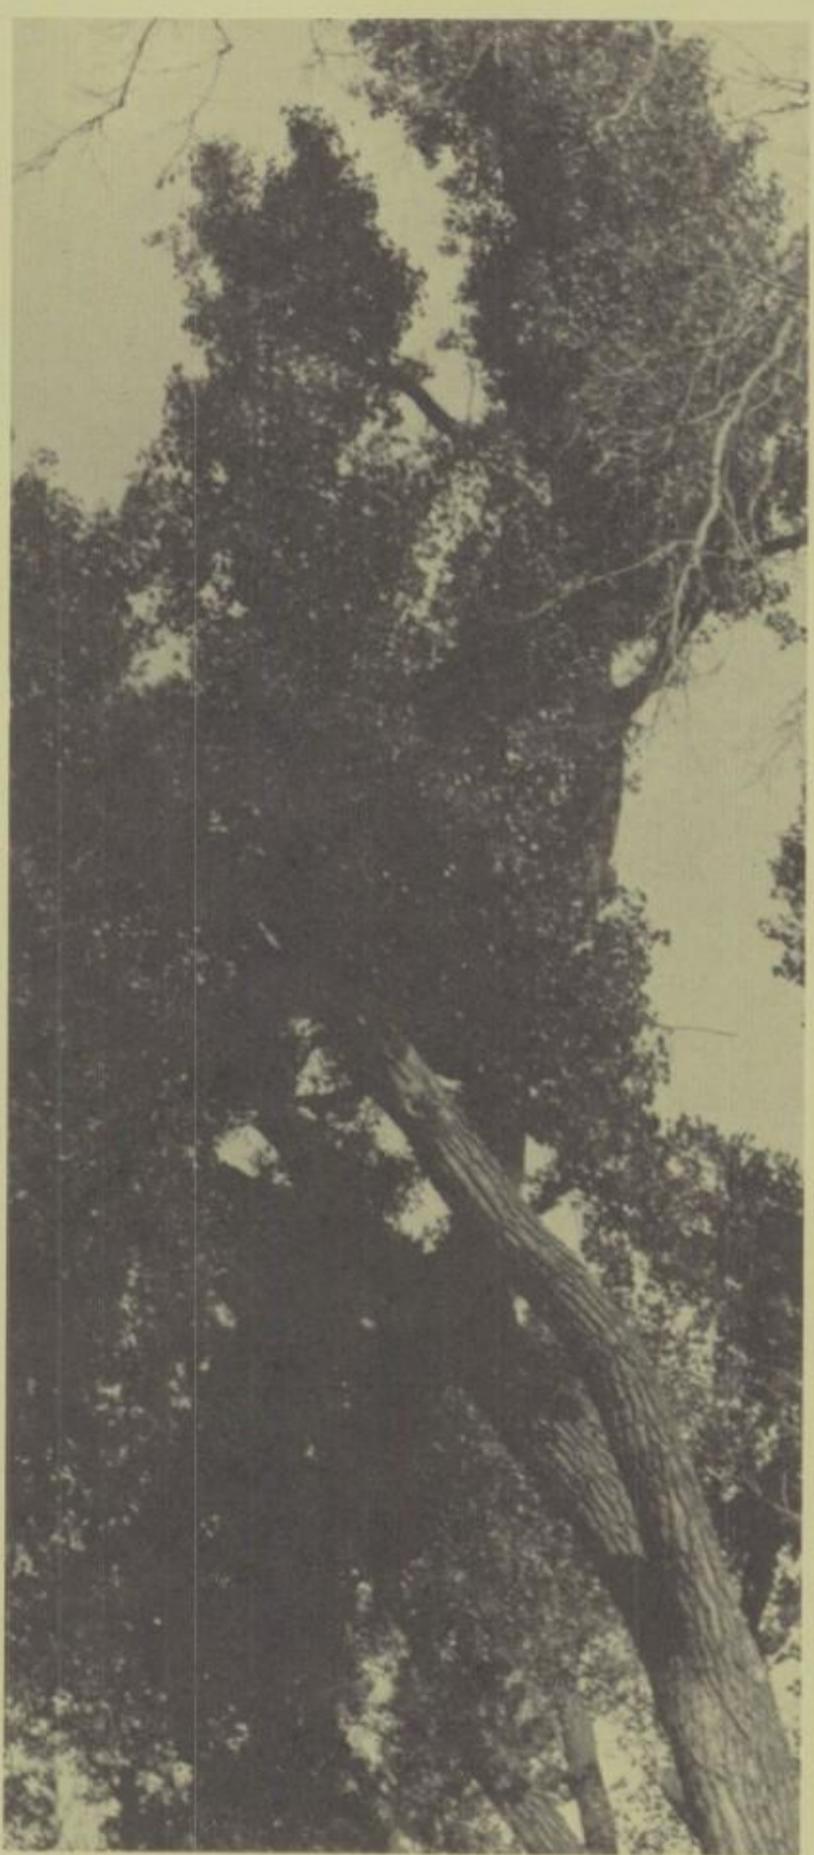

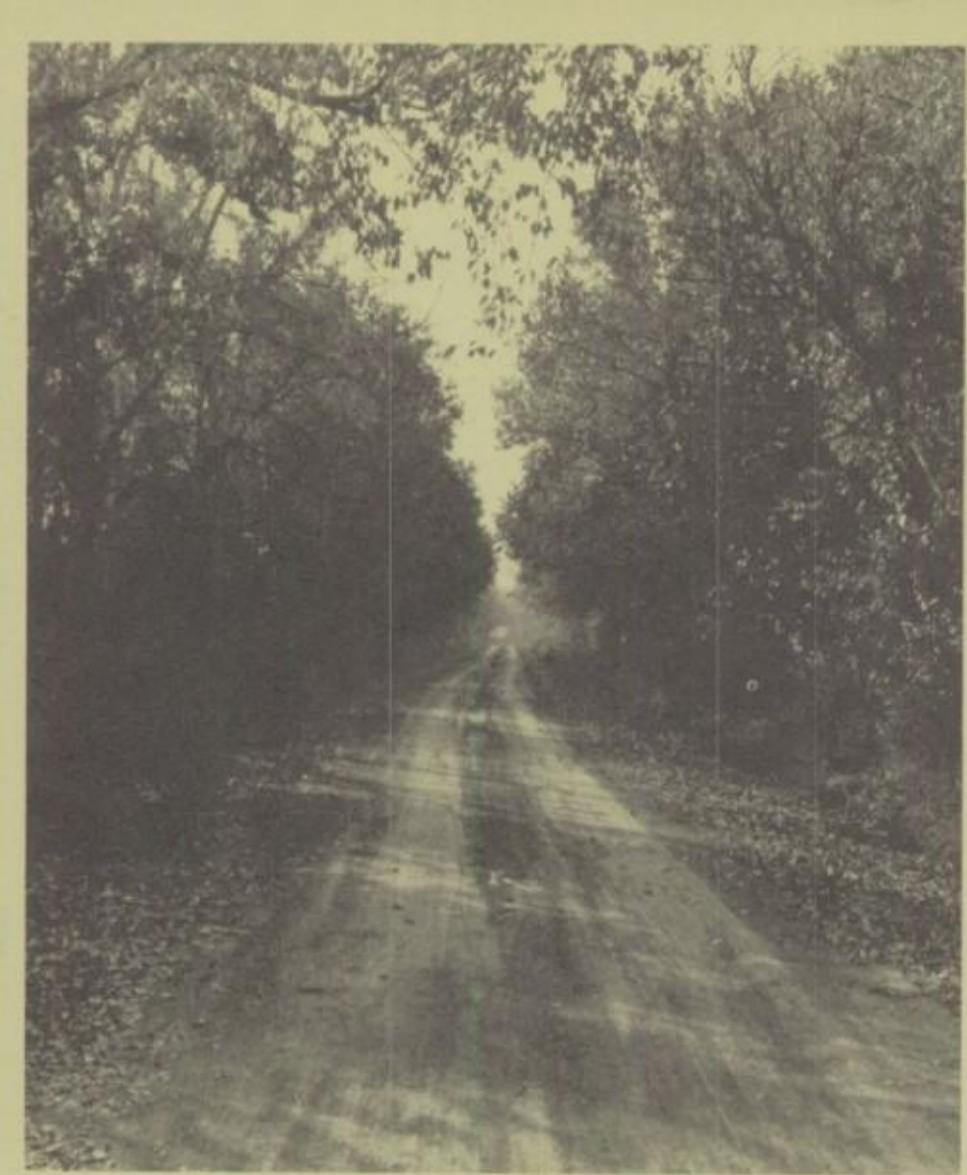

**Happiness is often found
By those who have
A little bit of country
In their soul.**

Blixt wins essay contest

As President Reagan took over in 1981, 52 American hostages in Iran were freed.

The English department at CHS held an essay contest during inaugural week on the topic "America . . . a new beginning." Many exciting ideas were brought out in students' papers.

Students wrote about what they thought President Reagan had in store for us in the eighties. Issues such as oil, agriculture, inflation and Iran were frequently brought up.

The top three essays were sent to the White House along with other winners throughout the country.

Winners included Penny Potts, third place; Mike Weed, second place and Lisa Blixt, first place.

Chapman Goes Computer

"Garbage in — garbage out" read a sign in the computer center in Colorado. In other words, if you don't get it right, don't expect the computer to.

"It's nothing mysterious; there's no magic to it," said Mr. Milton Mathews. "It can't do anything we can't do; it just does it faster and more efficiently."

Not writing down the correct line number was one of the most common mistakes students made when enrolling and the cause of most of the last minute changes that had to be made.

"The students are going to have to learn to use it just like we did," Mr. Mathews stated. "I think as time goes on, the kids will become more aware of it, and there will be fewer errors."

The switch to the computer method of enrollment

and grading proved beneficial in three ways, according to Mr. Mathews. It benefited the students in that they were better able to get the classes they wanted. The computer scheduled 98 percent of the classes for second semester. It saved time for the people in the office, and it gave the administration a new insight to what's going on. The computer gave a read-out on the teachers as well as the students. The administration could more easily see the student's progress and any difficulty a student might have had.

Mathews stated that the reason for going to the computer was to increase efficiency and to save time for both the teachers and the office. He felt that it was effective in both these areas.

"The amount of time each teacher had to spend has dropped drastically," said Mathews.

New students arrive from Germany, California

Quite a number of new students enrolled at CHS. They arrived from as far away as Germany and California with various interests and hobbies.

Ron Bellomy, a senior from Ansbach, Germany, saw many parts of Europe. Some countries included: Italy, Switzerland, Austria and Belgium.

Roy Looper, a freshman, was also from Germany. Roy said that CHS was "all right" and his favorite class was Art I.

Penny Potts enjoyed horse riding, swimming, reading and collecting stamps. Penny also played on a boys baseball team, and she was the only girl.

Ron Smith's hobbies included hunting, fishing, and camping. Ron also liked going to rock concerts and listening to rock music.

Jaylene Parks, a freshman, said she liked Chapman better than Junction City. She played on the freshman basketball team.

Linda Goff hopes to be a veterinarian. Linda collected dolls from all over the world; she said she

had done much traveling.

Ed Williams enjoyed riding motorcycles, playing football and water skiing. Ed is also interested in rock concerts.

Doug Carr really enjoyed Chapman. He said, "The people are real nice." Doug came from a 1A school, so Chapman was quite big to him.

Monica Williams was interested in motorcycles and rock music. Collecting money from European countries and playing the piano were some hobbies of hers.

William Dozier was a junior. He moved from Junction City to Chapman. His hobbies included electronics and swimming.

Jesse May was also a junior. He came from California where he was the head drummer in a band called Erupshin. He also rode in skateboard contests and surfed.

Valarie Smith enjoyed reading and partying. She had seen a lot of the world and said her favorite place was Paris.

Variety of fall sports offered

Fall sports got off to a good start at Chapman. CHS offered a variety of sports for both boys and girls.

Chapman had a new football coach. The football boys and Coach Brad Starnes worked very hard to re-establish our football program.

Dedicated cross country runners under Coach Pat Murray also had a successful season, winning the NCKL League Championship. The girls also worked hard, competing for the first time as a team.

The volleyball team had to settle for a tie for third in League. They did win the triangular at Salina this year for the first time. Coach Betty Ryan was pleased with their play, and several girls received League honors.

In girls' tennis Coach Mari Blick stated their season was, "Very productive." The girls tied for first place in League and placed high at regionals. Several girls went on to state competition.

Staci Wipplinger swings into action.

Harriers capture NCKL

Coach Pat Murray's harriers had a winning season, including the NCKL championship. The girls also had a full team — the first in CHS history.

Five runners advanced in the all-time top 40 list: Jeff McCullough, senior, second; Stan Perry, senior, sixth; Bruce Beggs, junior, seventh; Mike Fink, sixteenth and Joe Stalder, senior, twentieth. Four also made the top 10 class list: Jeff McCullough was second in the Senior Class, Stan Perry, sixth, senior; Bruce Beggs, first, junior; and Mike Fink, third, sophomore.

The cross country banquet was held Nov. 4, at the Elks Club in Abilene. Awards given included: boys, most valuable runner, Jeff McCullough; most improved, Bruce Beggs; most inspirational, Jeff McCullough; hardest working, Kent Longenecker; rookie-of-the-year, Stuart Osborn. Wanda Jackson was awarded most valuable girl's runner, most improved, most inspirational and hardest working. Rookie-of-the-year was Kim Diehl.

A special coach's award was given to Jill Bletscher. Stan Perry was recognized for running in Coach Murray's 500 mile club for the second year in a row.

Special awards were also given, and a present was presented to Tim Richardson for his services as manager. The team also gave Coach Murray a shirt emblazoned with "Chapman X-Country."

Highlights for the season included winning the NCKL. The team won the Abilene, Clay Center, Chapman and Concordia meets. They also took third at Regionals and eleventh at State. The junior varsity won two of six meets and never placed worse than second. The girls won one meet and accomplished the goal of having a full team come out. They finished fourth at NCKL, and four runners advanced to State.

Tennis girls have successful season

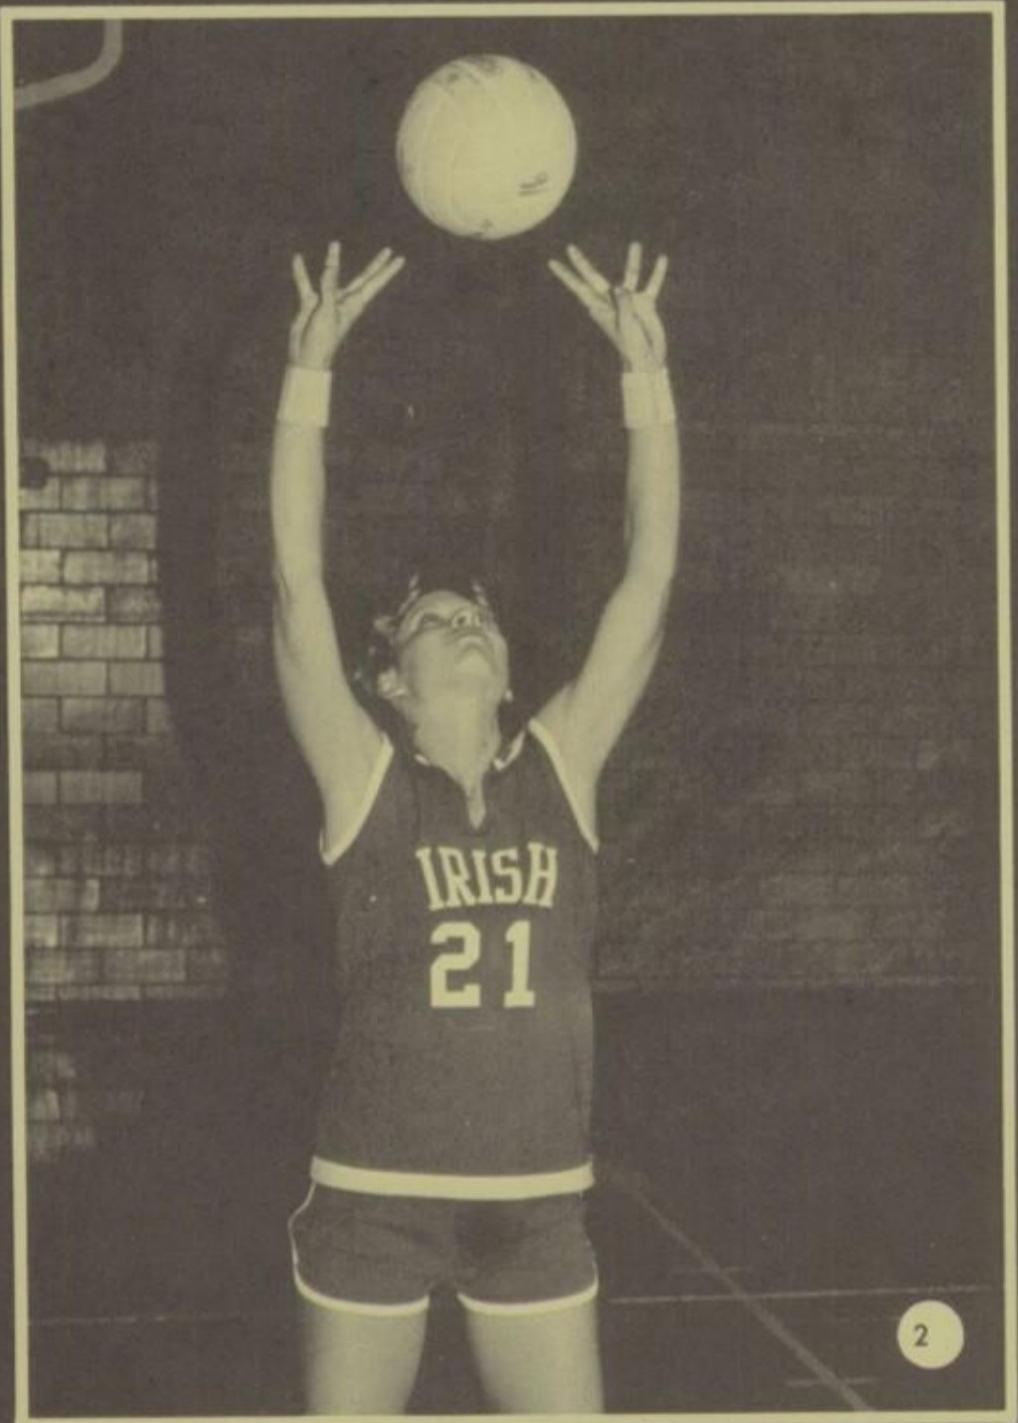

"Very successful and productive. Everybody got to play more," was coach Mari Blick's comment when asked to describe this tennis season.

The varsity team won the Chapman and Clay Center tournaments, placed second at Salina Central and third at Topeka. The varsity highlight was the first place tie in the NCKL with Abilene.

Throughout the year, the positions on the varsity changed very little. Kim Black played No. 1 singles with a record of 24-8. She took first at league and second at Regionals. Players have disappointing season

"Football players had a disappointing season, but I feel that we got a lot of experience, and I plan to have a better season next year if everything goes well," commented Chapman's new coach, Brad Starnes.

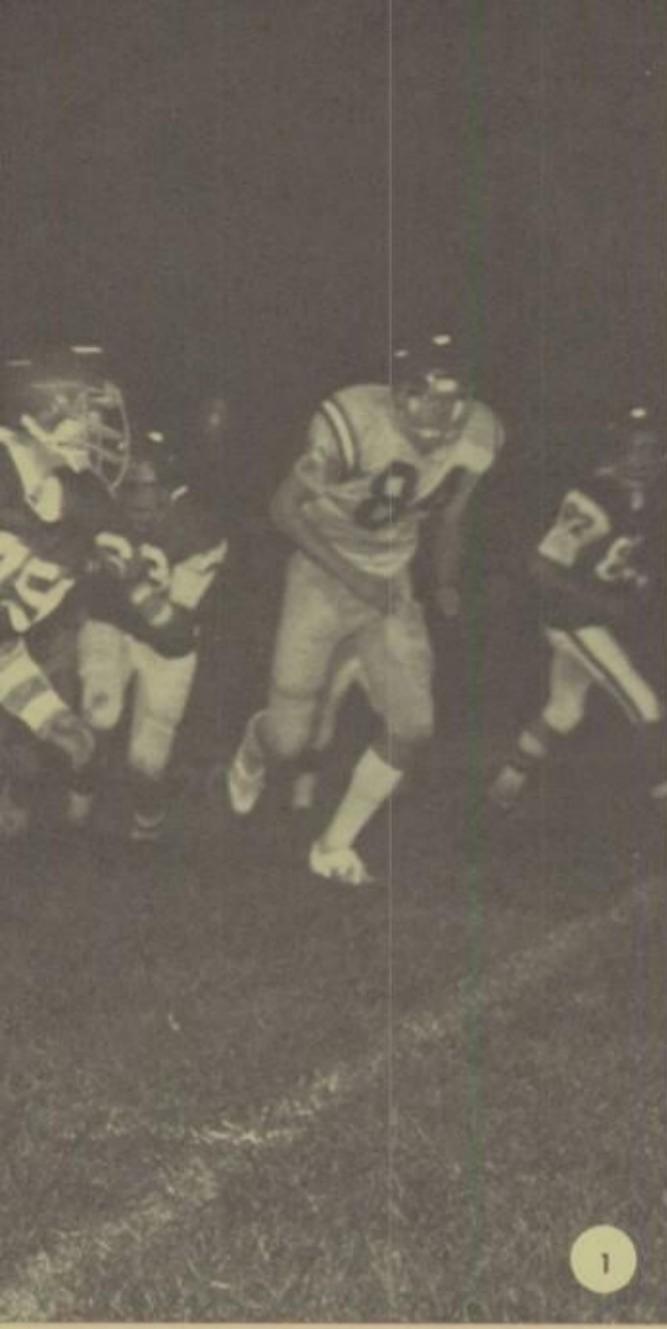

Chapman had several players recognized as League standouts. Dan Jones received All-league running back and linebacker, first team All-State linebacker in the *Topeka Capitol*. He also got All-State all classes honorable mention. Barry Pearson received honorable mention for offensive and defensive tackle. Tom McLaughlin earned honorable mention for defensive corner.

The highlight of the year was when Chapman dominated Abilene statistically, getting 14 first downs to Abilene's three. The last game for the Irish was an exciting one when it went into overtime with Chapman finally defeating Concordia 27 to 26.

Junior varsity, led by coaches Bob Meyer and Jeff Wells, had a trying season with a record of 1-4.

Hi-Y enjoys Model Leg

One of the primary annual activities for Hi-Y members is Model Legislature. Pre-legislature was held at the YMCA in Salina so that bills made by Hi-Y members could go through a "trial run."

At the actual model legislature session in Topeka, which was held Nov. 14-15, Tom Gillen and Bob Norcross had bills which passed through the House of Representatives and Senate committees but were vetoed in the Senate House.

Hi-Y had 35 members. Hi-Y activities involved running the concession stand, having a spring picnic and sponsoring the Twirl Dance.

StuCo hosts assemblies

In the fall of 1980 StuCo was host to many interesting assemblies.

Mr. Randy Nadler brought slides from Surinam and spoke to students about the people and animals there. Mr. Paul Yearout discussed teen problems including love and sex.

CHS was also visited by Sam Keys, who during the November elections was the second district's Democratic candidate for senator. He discussed politics and campaigning.

Roger Cooper of Newton sang during one assembly. Donna Stewart said, "I thought he was great!"

The Drama Classes presented two plays, *Old Time Melodrama; Modern Style* and *The Truehart Boarding House Prospers Again*.

AFSers attend Roundup

One of the major events in AFS was the annual Roundup, held in Manhattan March 27-28. AFS members got to meet new and exciting people while staying with fellow members in Manhattan. Another exciting activity was the dance-a-thon. Money raised from the Marathon helped to sponsor foreign exchange students in their stay here.

Exchange students were Marianela Rocuant and Leen Willaeys. Marianela stayed with Mr. and Mrs. Wayne Thurlow, and Mr. and Mrs. Daniel Engle hosted Leen.

Sam Kasl, the team captain, was named to the All-NCKL Team, Salina Journal 4A-5A First Team, Salina Journal All-Area First Team, Wichita Eagle-Beacon All-State Second Team, and the Kansas Basketball Classic, Topeka. She also broke the individual record for rebounds with 260 and the individual career record of points with 934.

Kim Black was named to the Salina Journal 4A-5A Honorable Mention List and to the Wichita Eagle-Beacon All-State Second Team, 4-A.

Ten members of the Irish squad earned varsity letters: seniors Julie Beemer, Kim Black, Sam Kasl, Kristi Kientz, Kim Lauer and Jackie Marshall; juniors Mary Herman, Joan Schuler and Candi Vahsholtz; and sophomore Cindy Kickhafer. Those who received provisional letters were Ella Frey, Wanda Jackson and Pam Rutz.

B-team finished the season with an outstanding record of 13-2. Mrs. Mari Blick coached B-team this year for the first time.

Boys take League Fourth

The 1980-81 season proved to be a winning one for the Chapman Irish boys' basketball team as the team compiled a season record of 11-10 and a 7-5 record in the NCKL race, placing fourth.

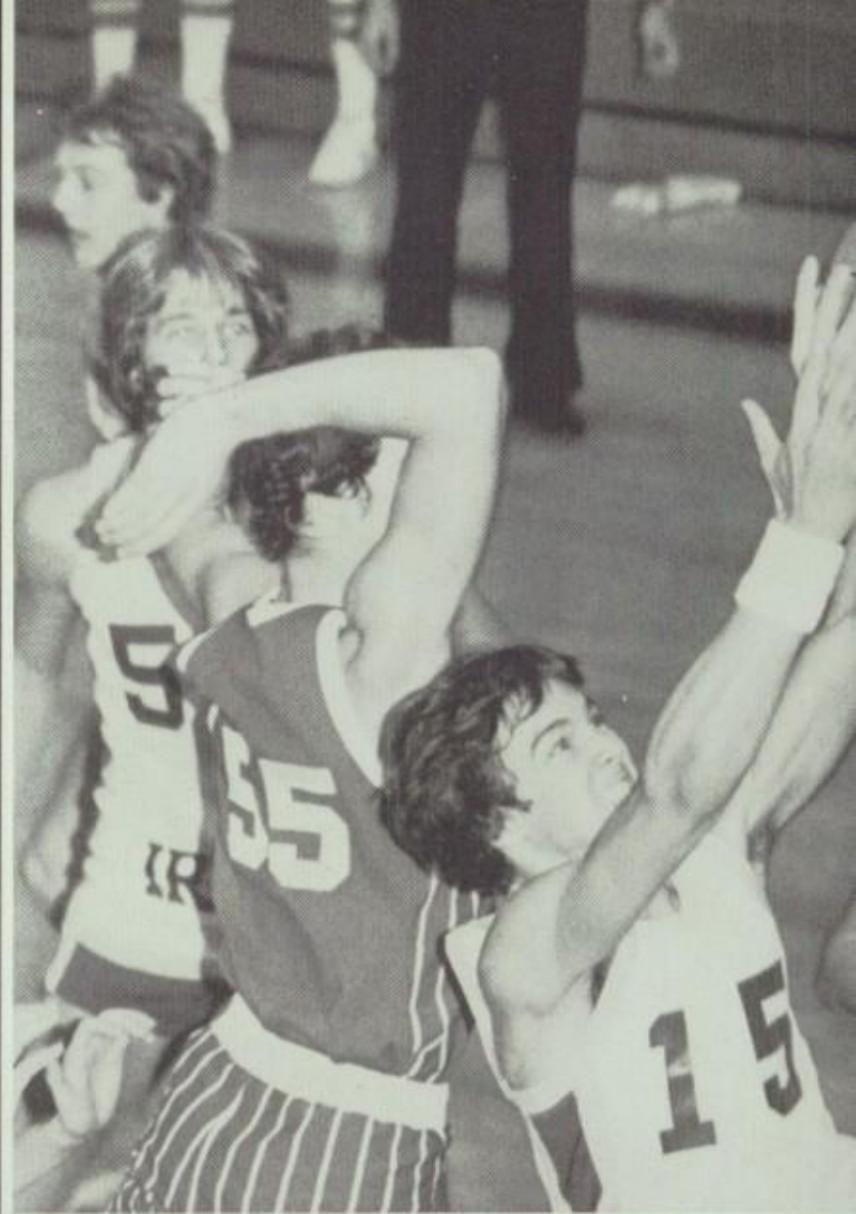

Tough opponents such as 6A Junction City, 5A Hayden (State tournament team), 4A Perry-Lecompton (State tournament team), and Sacred Heart (State champions) made the wins difficult to obtain.

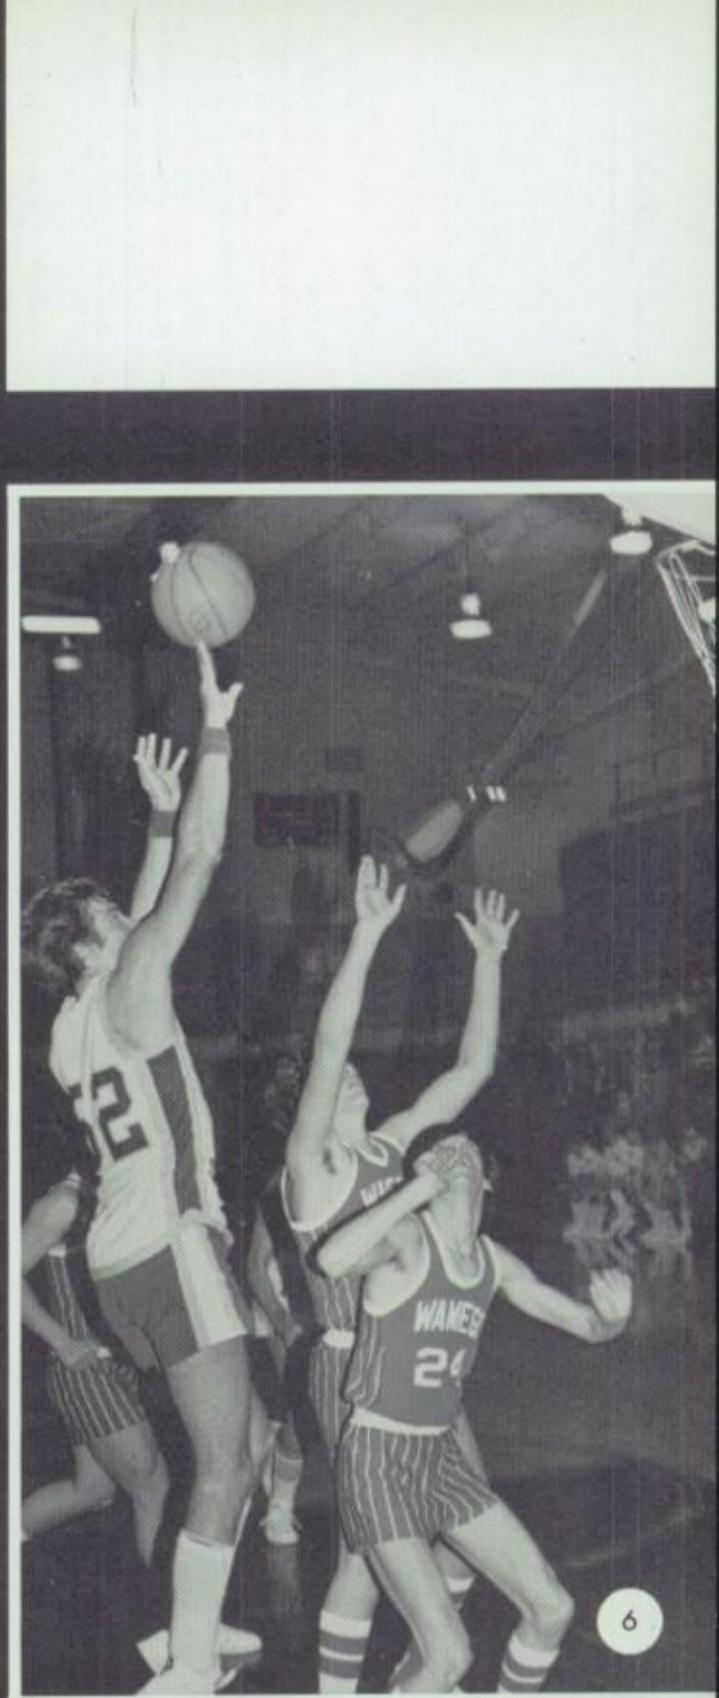

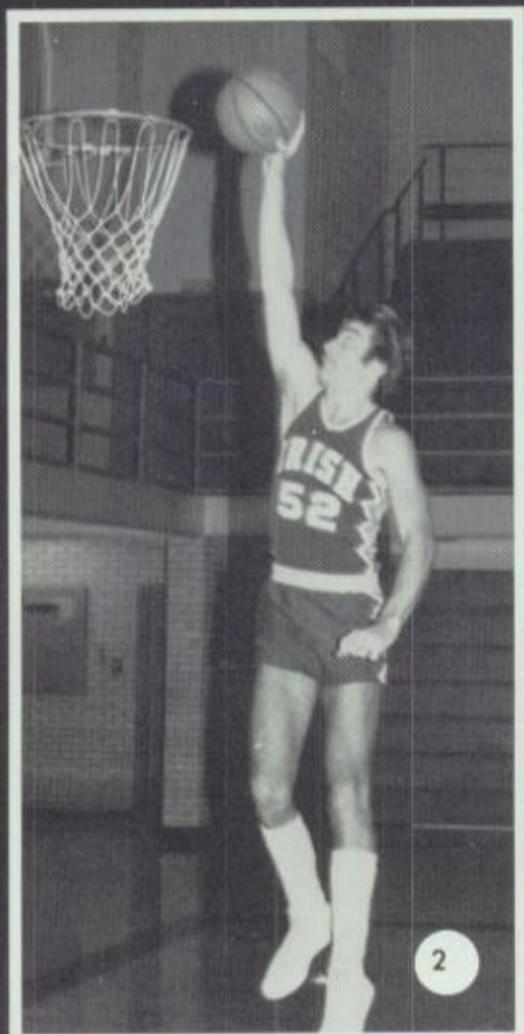

Pat McLaughlin and Mike Weed were named to the All-League team. McLaughlin was also named to the Capitol Invitational tournament team. He finished his high school career placing eleventh on the career scoring chart, 484 points, and eighth in rebounding, 296.

Two team records were established. They shot 48.8 percent from the field to erase the old mark of 44.9 percent set by the 1972 State Championship Team. They also set a single game defensive mark (allowing only 22 points by Concordia) to move ahead of the 1963 team mark of 24 points.

Seniors Dan Jones and Jeff McCullough made the career assists chart with 90 and 87 assists respectively. Jones, with 88 season assists, fell two short of the single season record. A new school record was established by Mike Weed with 41 blocked shots during the season.

Most improved player awards were given to Joe Stalder, receiving the Most Improved Senior award, Rod Anderson, Most Improved Junior and Garyn Hoffman, Most Improved Sophomore.

Musicians make changes

CHS saw many changes in the Music Dept. with new teachers Joe and Sheila Markley and the discontinuation of singing certain songs that had become a tradition over the years. While many changes were made, many CHS traditions continued.

All vocal groups participated in the Fall Concert, Oct. 20, as well as Christmas Vespers, Dec. 14. Choir members went to Belleville, Feb. 11 as part of the NCKL Vocal Clinic, and all vocal groups participated in the Spring Concert, March 24. Men's and Girls' Chorales gave two concerts for the Jr. High and, Class Night was held May 19-22. Senior Mixed Ensemble kept busy singing at various churches, and there were two student recitals plus the Senior recital, April 13.

When asked what was his highlight of the year Mr. Markley responded, "It would have to be the first concert we did — probably because it was a good, real performance, and we had a good reception. It proved to be a really enjoyable experience.

CHS is model for music

CHS has served as a model school in being one of the first schools in the nation to develop a Creative Musicianship Class. "This is a learning by doing class," said instructor Mrs. Mary Ann Saulmon. Students study the elements of music — rhythm, pitch, form, tone, dolor, dynamics. They direct, perform and compose.

A short historical research of music is a part of the class. Students graduating in music are required to take the course.

Team makes state finals

Chapman's Forensics team has proven itself to be one of the best, having made semi-finals or finals in every tournament except one. Forensics is "the athletic competition of the Drama Department" according to Mrs. Pat Lane.

Each student in Forensics had a category to compete in, such as Prose, Poetry, Informative Speaking, Oration, One Act Play, Duet Acting and Dramatic Interpretation. CHS attended tournaments which included students in 1A-6A schools.

Out of each different category a judge chose 12 semi-finalists, and from those, six finalists. From the six finalists the judge then chose the first place, second place and third place winners.

Glynis Greenstreet, Brenda Kelly, Scott Kickhaefer, Bob Norcross, Barry Pearson, and Ronnie Wilson were the 1980-81 Forensics team.

1) Scott Kickhaefer, Glynis Greenstreet, Barry Pearson, Brenda Kelley and Ronnie Wilson make up the Chapman Forensics Team. Tennis takes second

Chapman's 1981 boy's tennis team, coached by John Sanborn, had its best year ever, placing second in the League. Highlights for the season were two first place finishes at Chapman and Belleville, the winning of over sixty medals and the second place finish at League. The No. 2 doubles team of Hollis Worthen and John McLaughlin finished first, and Ron Wilson, playing No. 2 singles, finished second. Bruce Beggs and Roby Riggan finished third, playing No. 1 doubles.

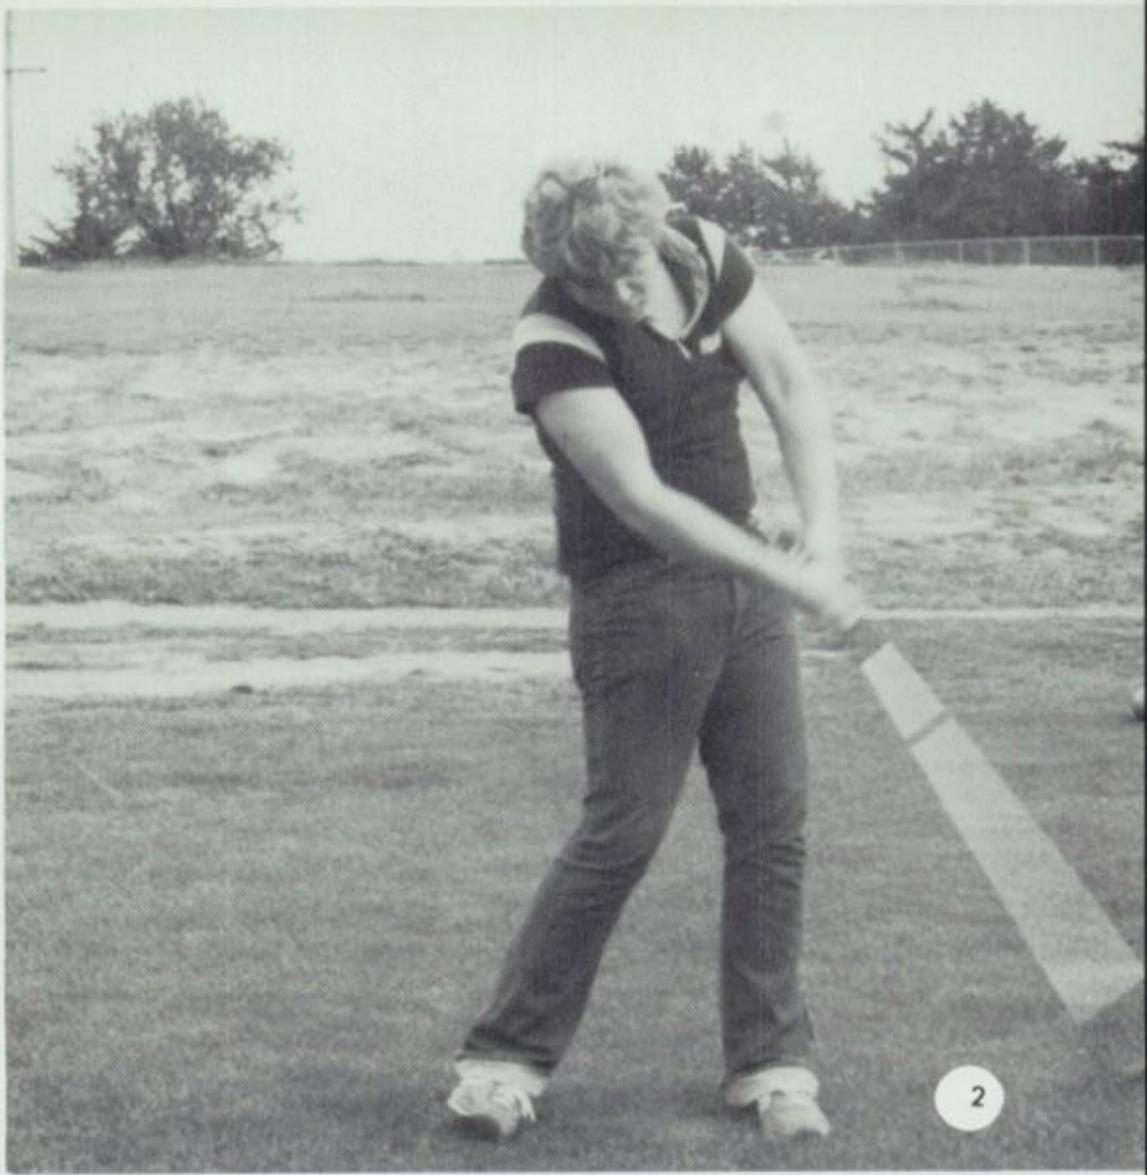

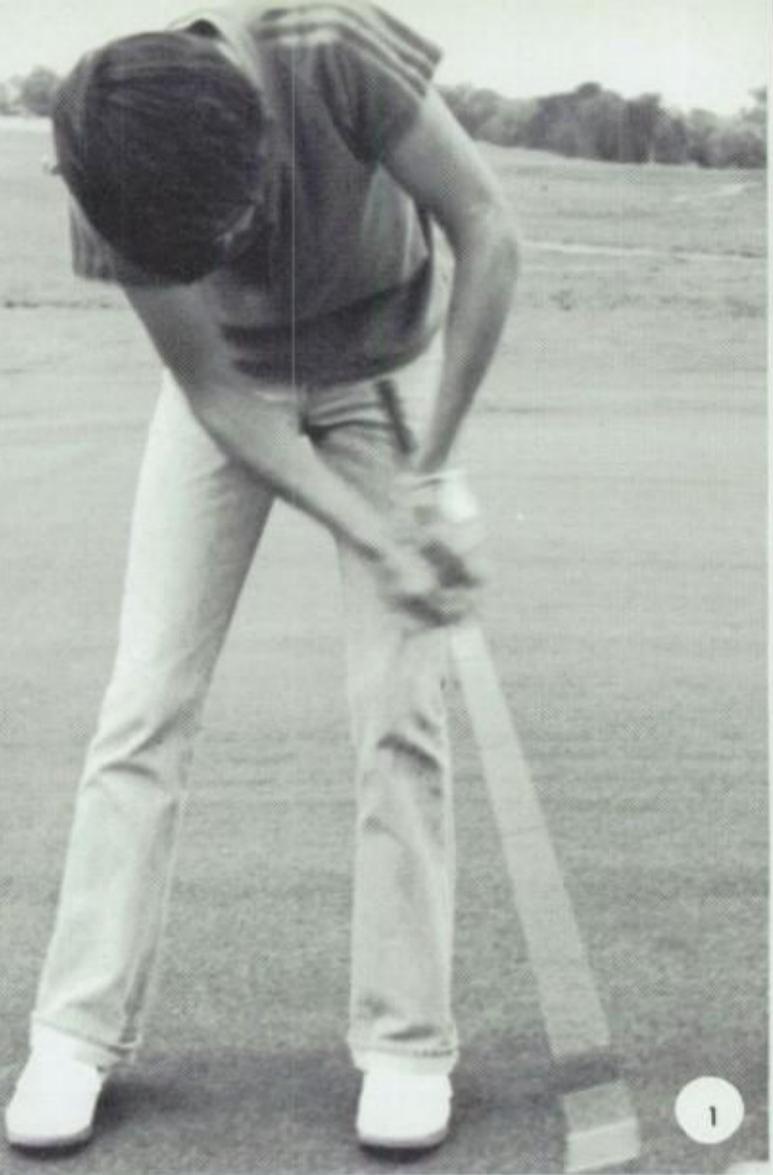

Another highlight of the season was qualifying No. 1 singles player Eric Londeen for State. It was the first time any Chapman tennis team had qualified a singles player for State.

Young players build future teams

"We had quite a few young players this year that were inexperienced, but if they work hard and practice we ought to have some good teams in the years to come," was coach Harold Oakleaf's reply towards his players. Chapman took six players to Regionals this year: Jim Norton, Donnie Provance, Tom Gibbens, Ron Stillwagon, Steve Roudybush, and Andy Pullen. Donnie Provance took 11th place just one slot away from going to State. The best overall average for the year was held by Jim Norton, sophomore.

Tracksters have high, lows

The 1981 boys' track season was marked by highs and lows. The highs were a new school record in the 3200 meter run by Jeff McCullough. His time was 10:01. Sophomore records were set by Mark Neuschafer in the javelin, 175'11" and Toby Watt in the 300 meter intermediate hurdles, 41.8, and the 110 meter high hurdles, 16.1 seconds. Personal bests were established by all members of the squad. The best team finished were a pair of thirds at Abilene and Council Grove.

Four new records were established by the tracksters. Candi Vahsholtz broke the 200 meter low hurdle record with a time of 30.1, and Nikke McMillian ran the 200-meter dash in 26.5. Wanda Jackson broke both the 1600 and 3200-meter records with times of 12:08.7 and 5:43.2.

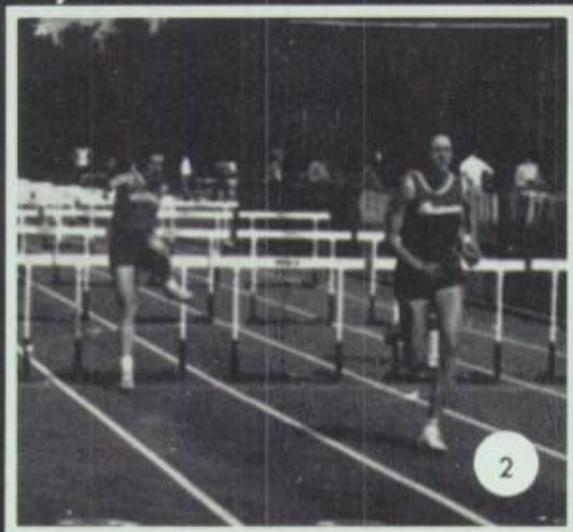

Seven girls qualified for State. They included Mary Herman, discus; Nikke McMillian in the 200-meter dash; Desiree Whitley in the 400-meter dash; Cindy Kirkhaefer in the 100-meter high hurdles, and the 1600 meter relay team of McMillian, Whitley, Leslie Bletscher and Kathy Hoffman.

Coach Mari Blick commented, "Since we're only losing one senior, we should have a lot of success next year." She also felt another reason for being so strong was that "there were many quality girls who were hard-workers."

Dance is “Whopping Success”

The following is a mock story written by Stan Perry in the April Fools' issue of the "Sickinsonian:"

"A whopping success," commented journalism adviser, Mona Lott about the annual St. Glademier's Dance. The staff of the Sickinsonian grossed a 37 cents profit.

In the crowning ceremonies the eighth grade Grunt and Snort were crowned. After the crowning ceremonies the students danced to the hums of choir members. One student commented, "This is the best dance all year, especially the D.J." With this success this dance is sure to be an annual event.

The parody was written because the D.J. failed to show up for the St. Pat's Dance, thus the dance was cancelled after the crowning ceremonies. Michele Loader and John Dreiling were crowned Pat and Mike.

Juniors present “The Drunkard”

CHS's Junior Class play was "The Drunkard," March 20-21. The play was a melodrama that was originally written to display the evils of drinking.

In the 1890's, melodramas portrayed the differences between right and wrong to immigrants coming to the United States. They were considered a very serious thing then, but now they are thought of as comical plays. Melodramas always teach a moral lesson.

Drama 2 presents play

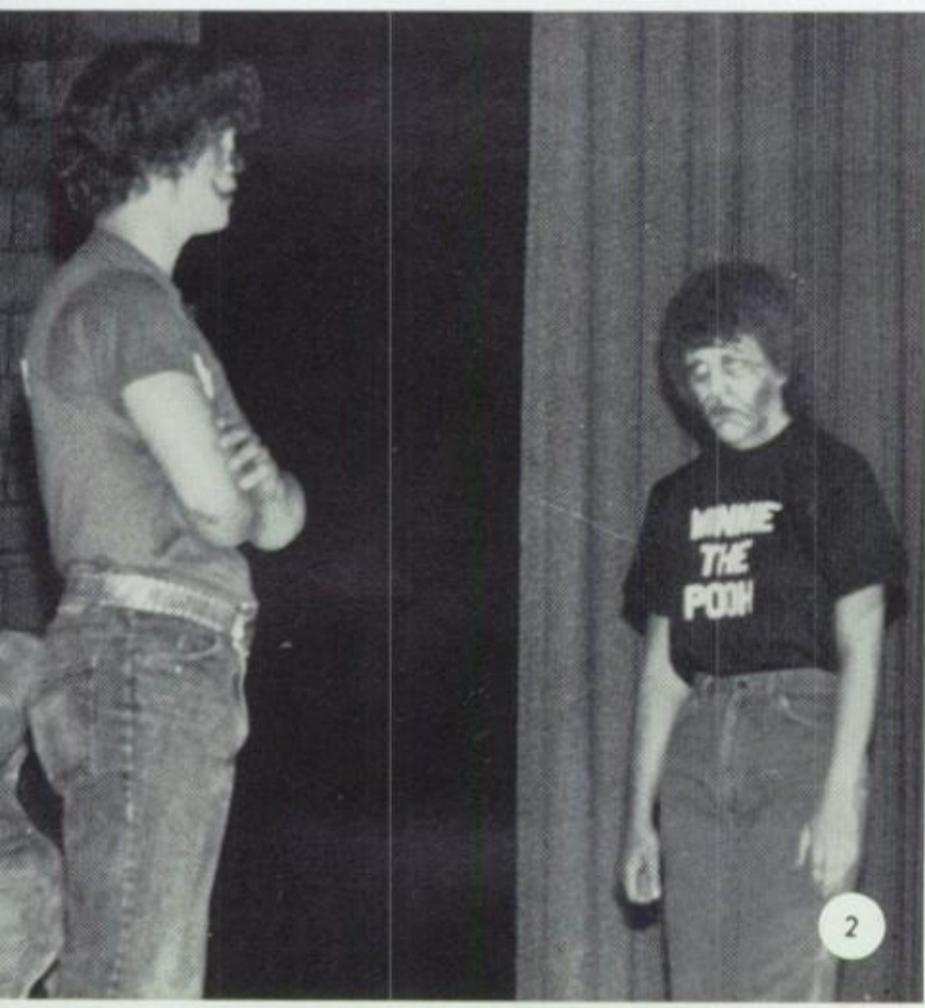

"Everyone was invited," answered Mrs. Pat Lane when asked to comment on Drama 2 children's play, "Winnie the Pooh." The play started May 7 and was also presented on Friday, May 8, in the auditorium. There was no admission charge. When asked about anything new or unusual in the play, Mrs. Lane explained, "It was done in Interpreter's Theatre Style. That means there wasn't a lot of big costumes. They wore jeans and shirts with the character on front."

SPECIAL MOMENTS

Good ole days portrayed

"The Good Ole Days" was the theme of Class Night 1981, under the direction of Mr. Joe and Mrs. Sheila Markley and Mrs. Pat Lane.

"The Good Ole Days" was set in the 1890's and reflected the songs and attitudes of that time.

When asked about changes in Class Night, Mr. Markley explained, "It opens with a big number reminiscent of old MGM musicals. It consisted of two acts — the first taking place in a train depot and the second at Dickinson County Community High School, with an intermission between the two acts." He also added, "It still follows the variety-show format but will also incorporate many ideas taken from musicals."

Freshmen participate in variety of sports

The freshman football team had a disappointing season losing all of their games. "The boys learned the basics of football and hopefully will improve as the years go on," commented coach Phil Weishaar.

The freshman tennis girls combined with the rest of the J.V. team. Their highlight of the year was taking second at Salina South, where 5A and 6A teams were competing. The frosh girls are Cheryl Thomas, Sally Meyer (who earned her varsity letter this year), Staci Wipplinger, Tammy Watt, and Shari Tudor.

The freshman girls' volleyball team had an excellent year winning all of their games. When asked what the highlight of the year was for the girls, most of the replies were "beating Abilene." The team members included Kathy Hoffman, Robin Reiff, Nikki McMillin, Patti Jones, and Jackie Lantz.

Only three freshman boys played tennis this year. Wayne Seales, Brian Hoisington and David Near commented that the best thing that happened this year was taking second at Belleville.

The frosh girls' track team had a successful season with four girls (Kathy Hoffman, Cindy Zumbrunn, Stephanie Raider, and Nicki McMillin) earning their varsity letters, and Patti Jones and Pam Neusehafer earning their freshman letters. The highlight of the year for the girls was taking third at the NCKL track meet held at Chapman.

Administrators evaluate teaching techniques

The administration spent much time evaluating teachers to see if they have good techniques and teaching plans. Another reason for evaluating was to see if teachers were meeting the goals and objectives of the school.

The administration also engaged in developing two new classes for next year. They are Writing Lab and Computer Science. Writing Lab is designed to help students practice and develop better writing habits.

The administration is working on tying careers and computers together. Also, they want to order more computers that will go in the Business Department.

Every five years CHS buys new books. This year CHS is ordering new books for fifteen classes. Getting new books for next year are Latin, Modern World History, Typing, Childcare and Woodworking Classes.

Staff is small but hard working

Our Journalism staff was not as large as past years but members worked hard.

The *Dickinsonian* staff kept busy finding and writing stories for the paper. "Our job would have been easier if the student body had suggested feature stories or news they thought was interesting," said junior Phyllis Bledsoe. Newspaper writers also helped on yearbook copy and other yearbook jobs.

Yearbook staff organized yearbook copy, prepared a rough-draft and cropped pictures for yearbook pages. All class members contribute their time in selling ads for the yearbook.

Another event the Journalism class sponsored was the St. Pat's Dance. The theme was "St. Patrick's Night Live." However, the dance was not a successful one; the D.J. didn't show up.

"I like Journalism. There's a lot more to putting together a yearbook or newspaper than people realize," commented senior Kristie Kientz.

Gallentine adds to CHS staff

Shortly after Christmas CHS hired a new woodworking teacher, Rex Gallentine.

Mr. Gallentine comes from Oberland, KS. He went to college at Ft. Hays.

Mr. Gallentine was surprised that CHS was so large compared to the community. He said, "I think Chapman has a good high school!" He also put in a good word for CHS students, "the kids seem to be pretty responsible."

His interest in woodworking began early. His father was a carpenter, and that got his interest started. He took woodworking in high school, enjoyed it, and then majored in woodworking in college. He decided to teach woodworking because he "enjoys working with and being around young people."

New bell system succeeds

The CHS bell system was altered in April making our lunch period five minutes longer and having five minutes between classes. The schedule was as follows: first hour, 8:30-9:40; second hour, 9:45-10:55; third hour, 11:00-12:45; fourth hour, 12:50-2:00; and fifth hour, 2:05-3:15.

Mr. Dale Relihan, principal, commented that the new schedule has resulted in less tardies, and students can still check out materials in the library and receive help from teachers between 3:15 and 3:30. He also said, "It's working excellent, and the attitude from most everyone is positive. I am glad we did it."

CHS tried out the new bell system, and because of its success, it will probably be in effect next year.

Projects built for Ag. Mechanics

A large variety of projects were made in Ag. Mechanics Class this year.

Some of the projects included weight benches built by Neal Beetch, two fifth wheel trailers built by Alan Schwartz and Terry Reiff, two loading shoots built by Casen Brown and Duane Wuthnow and a set of stock racks built by Mark Anderes. Rowland Riffel built a seventeen foot flatbed trailer.

CHS obtained three mini computers and will have a Computer Science Class offered next year. Stan Lewis will be teaching the class, and he strongly feels it would be a "learning experience for both the teacher and the students."

StuCo members are kept busy

Student Council had a very active year with Kristie Kientz as president and Mrs. Susan Owen and Mr. Forest Flippo as sponsors.

StuCo sponsored the Turkey-of-the-Year contest to earn money. Clarence Engle was the winner. The Freshman Orientation Dance and the Christmas Ball December 20 were also StuCo sponsored events. Students especially enjoyed the "Almost Anything Goes" contests held October 28.

"I thought we had an excellent Student Council; we had a lot of hard working people. I thought the year was extremely successful," said president Kristie Kientz.

Students, teachers honored

1 (Kristie Kientz, Erich Volkman and Laurie Hoffman were chosen as Students-of-the Month for December, January and September respectively. Volkman was later named Student-of-the-Year. 2) Mrs. Susan Owen, Teacher-of-the Quarter, pauses with honored students Lisa Wipplinger and Becky Engle (seated). 3) StuCo members pose. 4) Officers for 1980-81 are Julie Beemer, Laurie Hoffman, Kristie Kientz (president) and Erich Volkman. 5) Kevin Brooks and Mr. Joe Markley are honored in November. Wanda Jackson (May), 7 (Lorie Hettenbach (April) and 8 (Julie Beemer (October) are also chosen as Students-of-the Month. 9) Mr. Charles Cryderman and 10) Mrs. Pat Lane are Teachers-of-the-Quarter.

Fads include Nikes, t-shirts

The beginning of the 1980's can be remembered by some of the fads, sayings and news items that occurred during the school year of 1980-81.

Stepping into the fashion scene there were Nikes, Adidas, Candies and Dr. Scholls. Some of the attire people wore around Chapman High included straight-leg jeans, cowboy boots, western shirts and overalls in almost every color.

Students "grubbed down" often in t-shirts and sweats but every once in a while managed to dress up, the girls in pleated skirts and sweaters and the guys in cords and suits.

Violence at all-time high

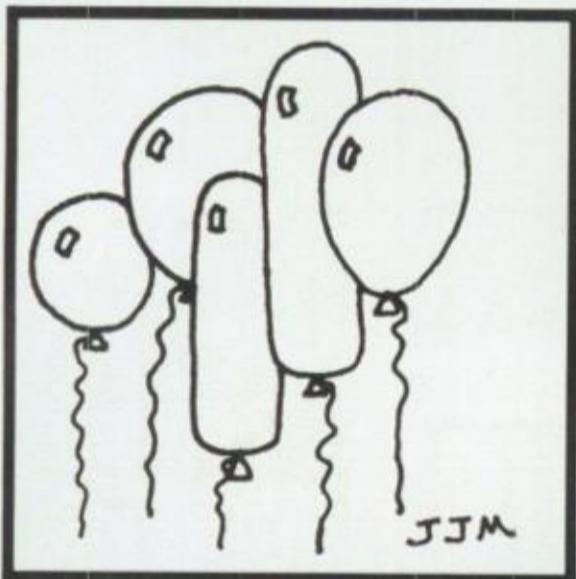

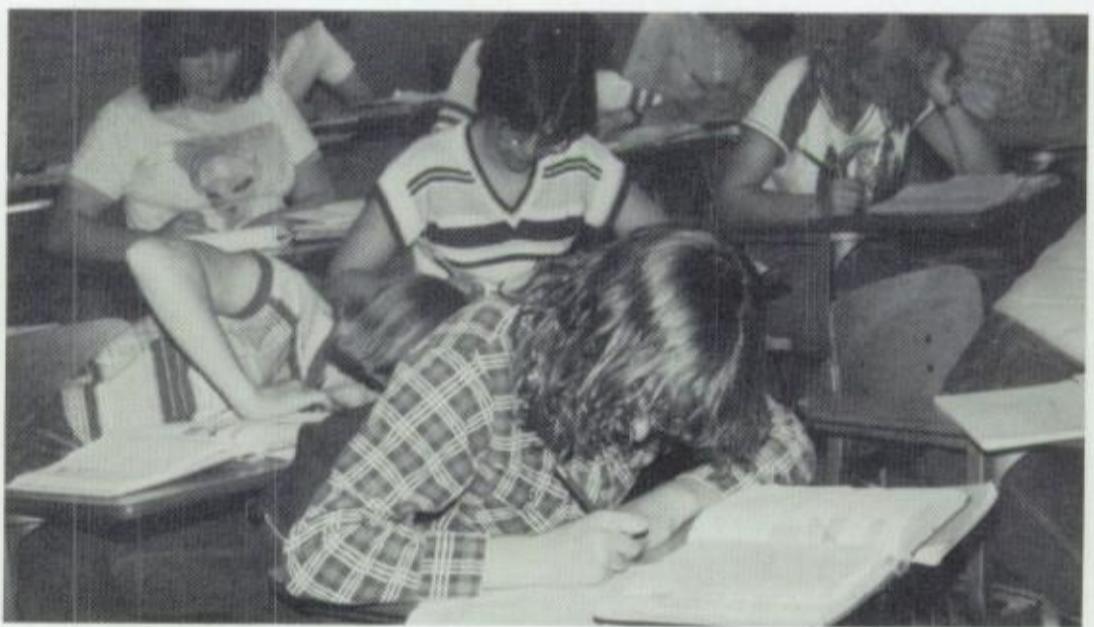

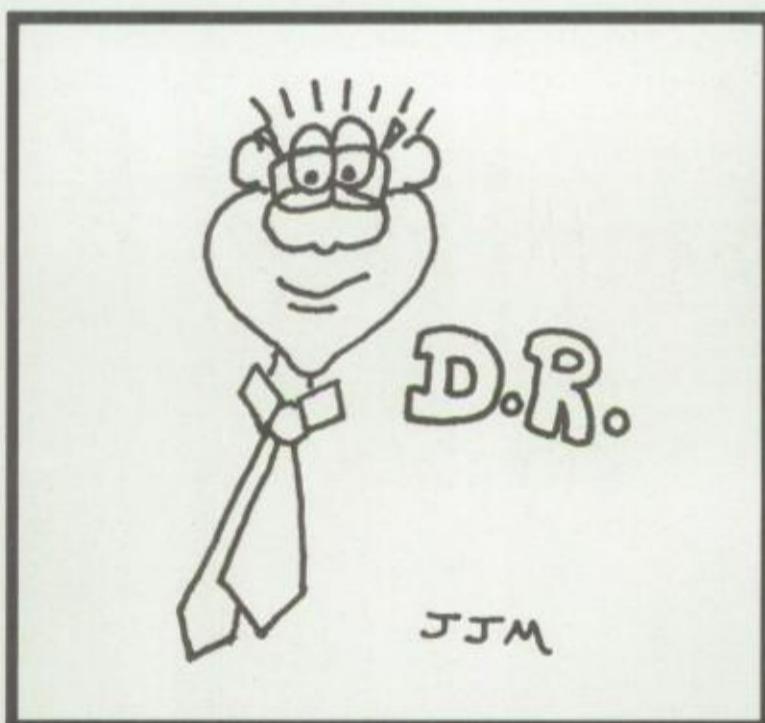

Violence in America seemed to be at an all-time high during the school year 1980-81. John Lennon, former member of the Beatles, was shot and killed. An assassination attempt was made on President Reagan's life, and twenty-seven Black victims were murdered in Atlanta. Pope John Paul II was shot and injured.

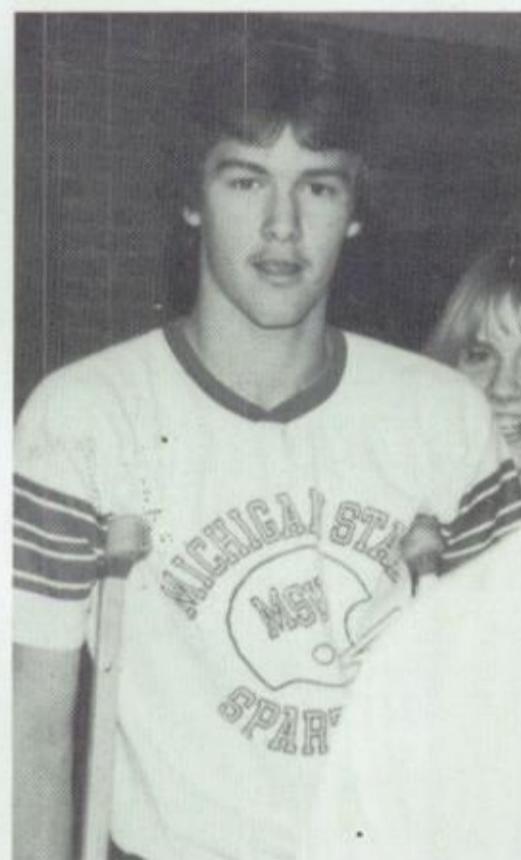

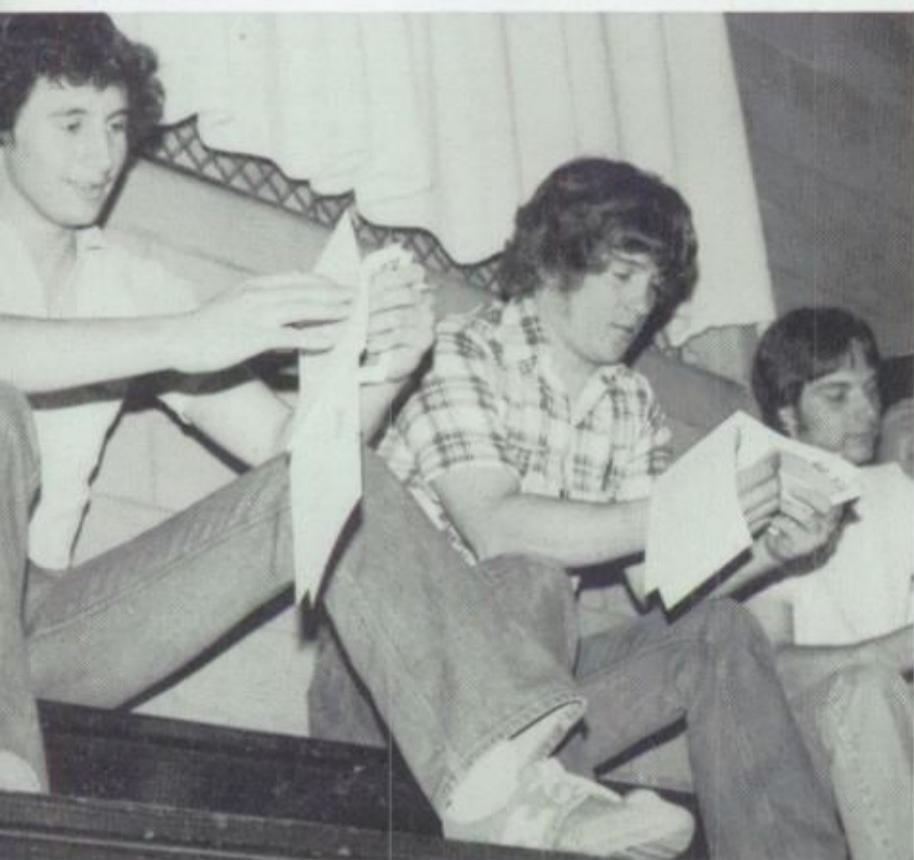

Ronald Reagan was elected President in November, advocating tax and budget cuts and conservation policies. Around that same time the fifty American hostages were released from Iran.

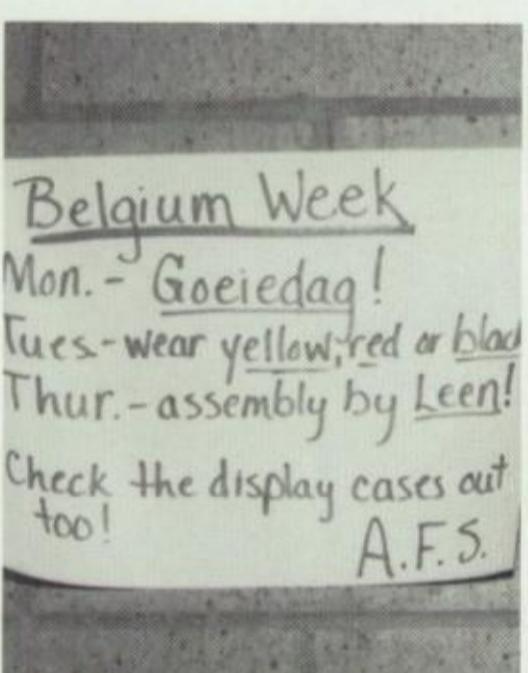

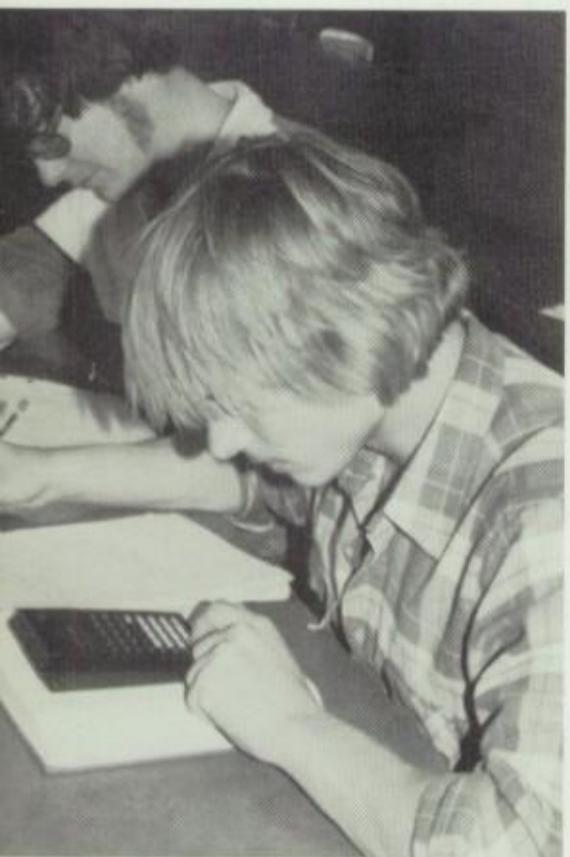

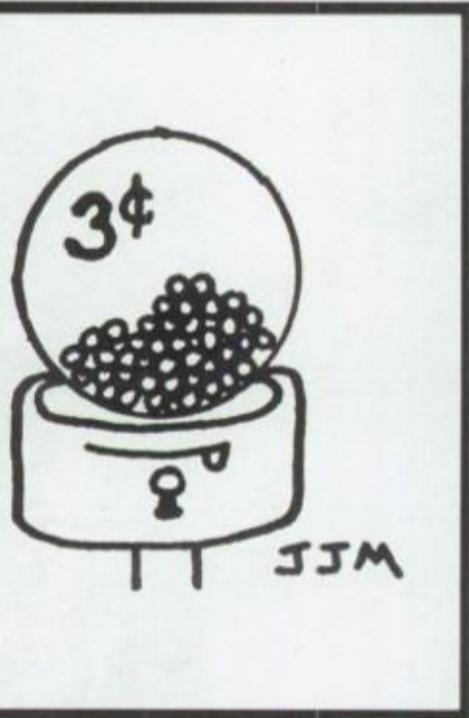

It seemed that nearly everyone was a victim of inflation. Gasoline prices fluctuated around \$1.25 per gallon. A pair of jeans could be expected to cost around \$27. If a guy wanted to win his girlfriend's heart with a dozen roses, he needed around \$50 to buy them for her. Going to the movies cost \$7.00 per couple.

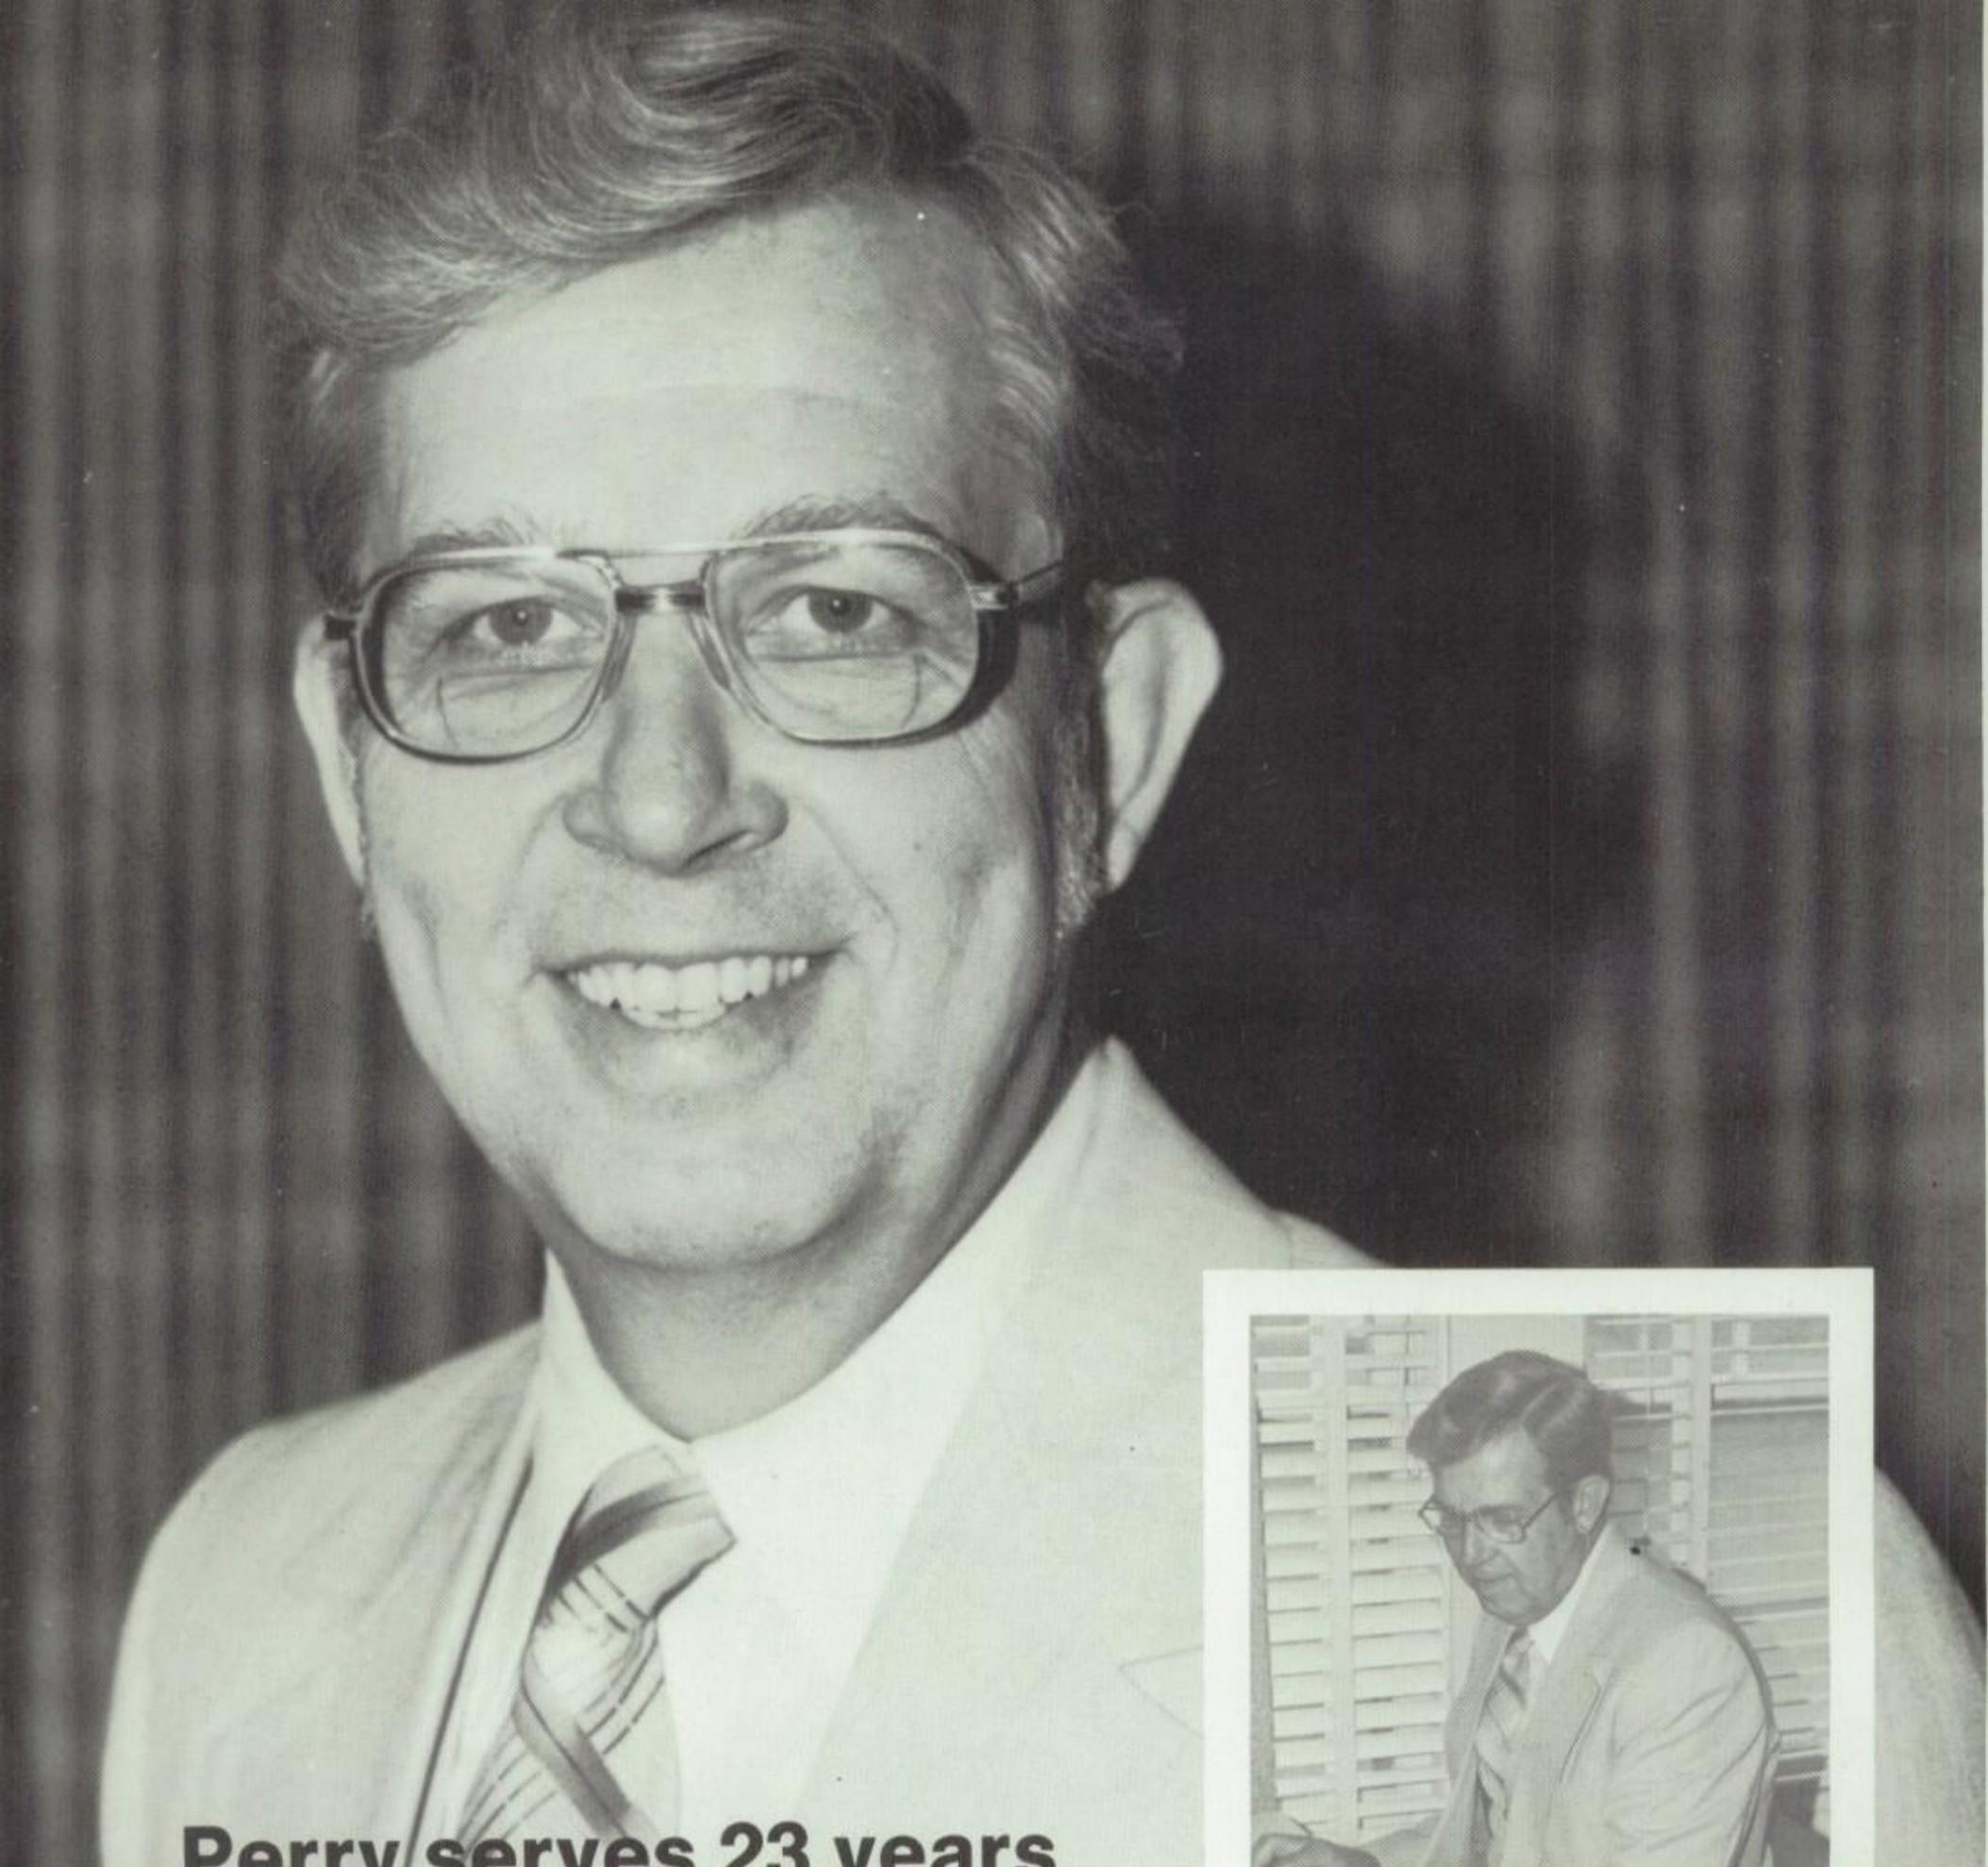

Movies, concerts provide entertainment

Some new faces were in the movies of 1980-81. *Urban Cowboy* starred John Travolta. A combination of Richard Pryor and Gene Wilder made up the comedy *Stir Crazy*. Mary Tyler Moore, Timothy Hutton and Donald Sutherland were in the dramatic movie *Ordinary People*. There were several horror films *Train*, *The Howling* and *Friday the Thirteenth, Part II*.

CHS students did more than just go to the movies for entertainment. The day before school started there was a Van Halen concert. Later a Kansas concert followed. The Beach Boys hit Salina during February, and during the summer of 1981 there was a Doobie Brothers concert.

Perry serves 23 years

"I think it's an opportunity. My degree is in business management, and this was an opportunity that fit that degree. Though I enjoy school work, have had some desire to work in the business world," stated assistant superintendent, Don Perry about his change of careers. Perry left USD 473 this year after 23 years in the District.

A graduate of Emporia State University (then KSTC) with a BS Degree in Business Management, Perry began teaching business classes at CHS. In 1961 he earned his MA in education and then became an administrative assistant as well as a teacher. In 1966 he became the assistant principal at the high school. In 1973 he moved to his present position of assistant superintendent of USD 473.

In his present job Perry enjoys "working with school finances and the computer — both are a challenge." In Government Classes Mr. Dick Traskowsky referred to him as "the financial wizard of the District."

Perry reflected on his experiences in saying, "Chapman has a good school system that has developed over years and years, but good school systems aren't something that automatically continue forever, but are subject to deterioration. The public, professional staff and all other employees and the students must constantly work together to maintain an excellent school system."

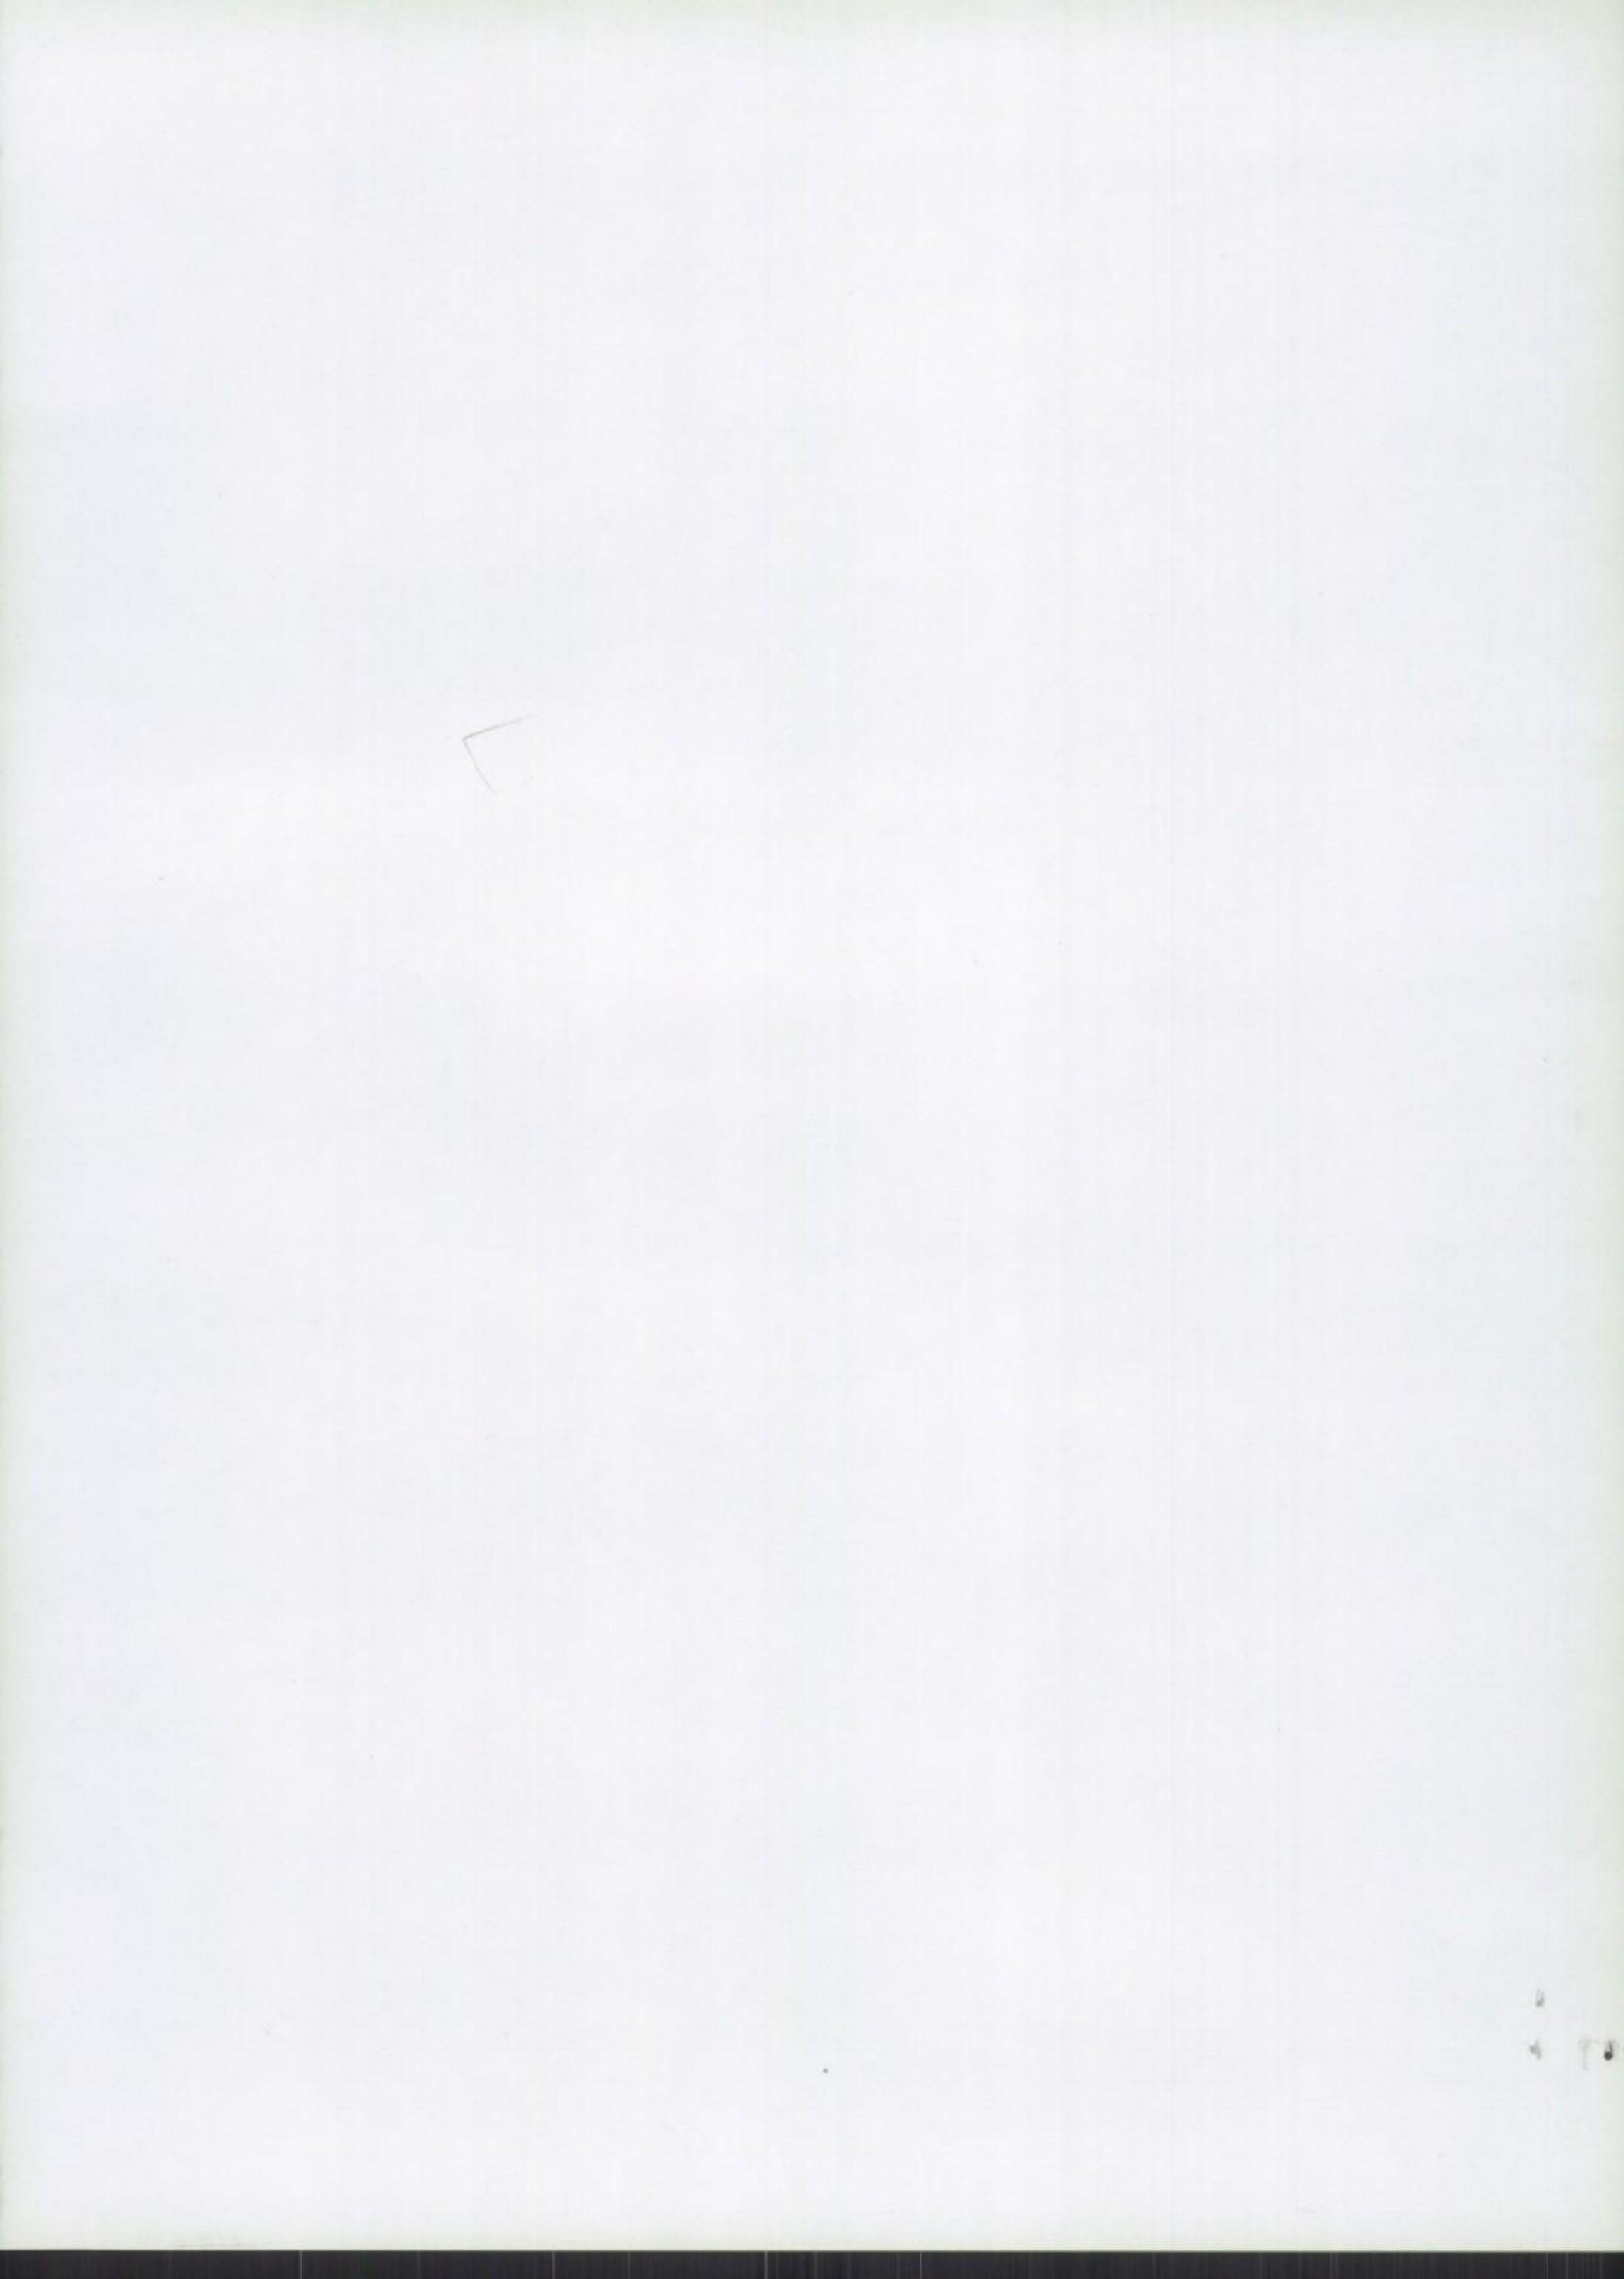

The move will take Perry and his wife to Arkansas, where he will run an insurance company for a brother-in-law. He has three children, Steve, Donna and Stan who have all graduated from the Chapman school system.

Perry stated, "I certainly appreciate the cooperation I've received from the people of the District, the board of education, the staff and the students over the past 23 years."
